

NUMEROLOGY REPORT

Client's name

December 2022

Client name => 114 + 615 + 452 + 67645 => 6 + 3 + 11 + 1 => 21 => 3

DOB => 16/11/1995, TOB => 22:45, POB => Madrid; D|6 C|7 N|3; Age => 27/28 years

Present numbers:

- 1111 – Moderate communication skill, observer, analyzer, talkative, try to adjust in any situation, always bounces back, planning skill exists, troubled relationship with father (misunderstandings on non-issues), may experience bouts of low confidence or low esteem
- 3 – Creative, moody, choosy, royal taste, social by nature, academically strong, wisdom, knowledgeable, imaginative, creative, completes all work in perfection, patience, will achieve success easily in education
- 5 – Life will be quiet and balanced, very responsible, success in both private and govt. job and even in business, love and like sitting job, self-accountable, doesn't like to do small things or acts or positions at work
- 6 – will have luxuries in life both materialistic and spiritual, will receive support from others in every situation (from co-workers / relatives / friends /strangers etc.)
- 7 – Immense support from family (maybe except from father)
- 99 – Energetic, competent, caring, supportive, will always earn well, authority and command positions, disciplined, gets angry easily
- 9, 5, 1 – Very persistent or stubborn, strong will power, takes no one's pressure at work, aiming for higher success ever, argumentative, always ready to struggle, always bounces back after any situation, adjusts to any kind of situation – these are symbols of super success

Absent numbers (these numbers are absent in birth chart which is why they have some negative effects):

- 2 – Emotionally unstable and struggling with wavering thoughts
- 4 – Liquidity is always a problem, cashflows get stuck unexpectedly, no regular source of income
- 6 – Lack of luxuries in life, doing everything on own without much support from family or society
- 7 – Lacking family support in life (all members), very few friends, doing self everything, if family members support it is superficial only, artificial

Advices:

- Should develop saving tendency, avoid jealousy, anger and overconfidence, avoid excess spending
- Wear birth stone of 5.25 carats (I can guide about it if you're interested)
- Offer water to sun daily
- Wear silver wrist watch as a remedy for lack of 7 in natural charts

Predictions:

- 30s will be much better than 20s (29 age might have been specially difficult)
- 2025 will be a very auspicious year (age 33) and marriage is possible in this year
- Oct 2023 onwards, liquidity problems will decrease
